

L'amour c'est quoi?

Prepared by:
Curio Team

A young boy asks his grandmother, "What is love?" Unable to answer, she prompts him to go on a journey around the world to find out the answer for himself.

Each person he meets offers a unique, yet unsatisfying perspective. Is love a fish, an applause, or the night, or is it something familiar? This humorous and tender story offers a fresh take on the theme of love, told from a child's viewpoint.

It's relatable, surprising, and engages readers with its distinct narrative voice, making it a delightful read for all ages..
