Overview

Bea wakes up very excited because it is her birthday. Her whole family, including her cousins, grandparents and all her friends are invited and she has the whole day planned out in her mind. It will be perfection! But it has not stopped snowing and all the roads are filled with snow. Will her guest be able to arrive?

How will Bea make the most of her special day if things don't go according to her plan? A sweet story that reminds us that sometimes things can happen unexpectedly but there is always a way to end the day on a positive note.
