

# 出发吧，海洋号！

(Let's go, Ocean Explorer!)

Age group:  
4-6 YEAR OLDS

Overview

This book tells the story of the Ocean Explorer, a red ship that sets sail on a grand adventure across the world's oceans. Along the journey, it encounters various marine creatures, witnesses the impact of human activity on the ocean, and explores beautiful coral reefs. The book emphasizes the importance of environmental conservation and the need to protect the ocean's treasures. Through stunning pop-up and engaging storytelling, readers are invited to join the Ocean Explorer in discovering the wonders of the sea and fostering a love for the marine world.

The important themes in this book are adventure and exploration, environmental conservation, marine life and biodiversity, the beauty of coral reefs, and fostering a love for the marine world.
