Overview

Follow a father and his son as they explore all the little moments that make their bond so special. From baking cookies and diving into make-believe jungle adventures to sharing a cozy bedtime story, the young boy looks up to his dad in every way. He doesn't need a spaceship or a secret mission — Dad is extraordinary simply by being who he is.

Filled with vibrant illustrations and a touching message, this charming picture book is the perfect celebration of dads for any occasion.
