

# 逃家小兔

## (The Runaway Bunny)

Prepared by: Curio

Overview

The Chinese version of "The Runaway Bunny" by Margaret Wise Brown, known for her beloved children's book "Goodnight Moon," tells the endearing story of a little bunny who wants to play a game of hide-and-seek with its mother. Each time the little bunny announces its intention to run away and transform into something else, such as a fish, a rock, a flower, or even a little boy, its loving mother reassures it that she will always find and care for her little bunny, no matter where it goes or what it becomes.

This cherished classic, originally published in 1942 and still in print today, captures the hearts of readers with its reassuring words and tender illustrations. The story exemplifies the unbreakable bond between a mother and child, offering comfort and a sense of security to young readers. The sturdy board book pages in this edition are perfect for babies and toddlers, making it a timeless story to be enjoyed by generations.
