Overview

“誰是你的好朋友？” is ideal for babies and toddlers, featuring charming animal friends crafted from vibrant seven-piece puzzles. With simple text exploring the theme of friendship, repetitive scenarios, and lively illustrations, it provides an engaging reading experience. The inclusion of a Tangram, a traditional Chinese seven-piece puzzle, adds a creative element, designed for easy manipulation by babies. It becomes a perfect tool for parent-child bonding through collaborative puzzle-solving.

Ways to interact with this book:

- Reading Aloud: Parents can read the book aloud, promoting independent reading through repetition.
- Matching Puzzles (Ages 2-4): Children aged two to four can match the seven-piece puzzles based on suggested answers in the book.
- Puzzle-Solving Together: Guide children in placing the seven-piece puzzles, emphasizing the joyful process and fostering parent-child collaboration.
- Independent Problem-Solving (Ages 4+): For children above four, parents can cover the answers, allowing independent problem-solving and encouraging self-correction.
- Creative Exploration: Encourage children to use the seven-piece puzzles for creating various shapes or expanding the story with additional animals.
