Follow-up questions

Kindness is a friendly greeting, a cheer or even an act of encouragement. Kindness is what makes us strong!

This joyful illustrated book shows various children acting kind in a variety of ways: at the playground, at lunchtime, on a bike path, and on a neighborhood street.

The repetitive format, short sentences, and bright colors make this book an excellent choice for little ones as well as children who are beginning to read independently... Simply put, it is a gorgeously illustrated, cleanly written introduction to the art of kindness.
